

## Youth Climbing Series

The Youth Climbing Series is a fun competition for young climbers organised by the BMC, Mountaineering Scotland and Mountaineering Ireland. Registration for the event is through your national governing body (BMC, Mountaineering Scotland, Mountaineering Ireland). This must be done one week prior to the event at the latest. You will be sent venue-specific information in the week prior to each competition. Competitors will be expected to arrive at 9:30am on the day of the event, climbing will start at 10:00am.

### Rough Guide to the Youth Climbing Series Rules 2018

The following is a brief summary of the Youth Climbing Series regulations. It is intended to help people gain a quick appreciation of the structure and rules of the series and should not be regarded as a replacement for a full understanding of the official regulations.

#### The series

- Ten regional series take place and climbers may enter one series only.
- Entrants must enter the series in the region in which they live.
- The top 3 climbers in each category qualify for the single Grand Final event.

#### The climbers

- There are five age categories: Youth A, B, C, D & E
- There are separate male and female categories.
- All entrants must have some climbing experience.
- All entrants are responsible for providing personal climbing equipment i.e. harness, shoes, chalk bag, helmet. There may be some available from the host venues but remember to check first.

#### The competitions

- Each event comprises 3 routes and 3 boulder problems for each category.
- There is no isolation (competitors can watch each other climb) except in the case of a Superfinal or Climb-off.
- All routes will usually be demonstrated.
- Those in categories Youth A, B & C will **lead** routes. Categories D & E will **top-rope** routes.
- Climbers will have one attempt only at each route.
- Climbers will have up to three turns at attempting each boulder problem.
- There will be a time limit of 6 minutes on each attempt at a route or boulder problem.
- The highest (or furthest) hold used, held or used will determine route points gained.
- An attempt ends if the climber; steps back down to the ground, falls, rests on the rope, uses prohibited holds or features, uses the side edges or top edge of the wall, runs out of time, fails to clip a quickdraw appropriately.
- Problems and top-ropes are not finished until the last hold is held with both hands.
- Scores for all climbs are totalled to give overall scores for the round.
- Regional changes to the format and rules may apply.

#### Conduct

Each regional round of the Youth Climbing Series is run by volunteers such as parents and local climbers. They are generously supported by the host climbing wall and its staff. Certain regulations (most of which apply equally to competitors, spectators, parents and guardians) help to ensure the smooth running of the event and maintain a good natured, fun atmosphere:

- The instructions of the Category Judge and Chief Judge must be followed at all times.
- Any disagreement with judging decisions must be taken up with the Chief Judge; **NOT** the Category Judge.
- Unsporting or abusive behaviour at any time will not be tolerated.
- Climbers must be ready to take their turn on time.
- Do not distract or interfere with any competitor who is preparing for, or in the process of attempting, a climb.

#### Technical considerations

- Judging will be along broadly similar lines to the BLCC events (see the BMC website for more details on BLCC events).
- The climbing order for the first climb is random.
- For subsequent climbs the order is rotated so, where possible, the same climbers don't go first again.
- All holds will be marked with tags or tape to aid identification.
- In the case of a tie at the end of a round, the following countback calculations will be considered:
  - a) The number of 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> places etc.
  - b) Total number of maximum scores (Tops);
  - c) Total number of attempts at boulder problems.
- If a tie still exists after countback, a timed Superfinal will be held.

#### Prizes

- There will be trophies or awards for the overall winners in each category in each region.

#### The Grand Final

- Entry to the Grand Final is free.
- The best 3 climbers in each category qualify from each region.
- All three results count when deciding qualifiers for the Grand Final
- Qualifiers must have attended at least two rounds.
- Climbers may enter individual rounds if they choose.

#### Safety

Parents are reminded that wearing helmets in competitions may prevent head injuries that may result from a fall or from being struck by falling objects. Inexperienced climbers should normally wear helmets and even experienced climbers should consider their actions carefully before deciding not to wear a helmet.

#### Risk and responsibility

Parents and young participants should be aware that climbing, hill walking and mountaineering are activities with a danger of personal injury or death. Parents and participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement. The BMC, Mountaineering Scotland and Mountaineering Ireland publish a wide range of publicity and good practice advice and provide training opportunities for their members.

A parent, or an adult that a parent has arranged to be responsible for their child, must remain at the event to look after their child.
