Medical Condition & Health and Fitness

Mountaineering Ireland activities & courses may involve strenuous physical exercise. Participants can be exposed to cold and wet conditions and circumstances where the manual handling of heavy rucksacks is required. Applicants should consider their personal health and fitness before attending courses. Anyone suffering from or ever having suffered from any medical condition, illness, allergy or phobia should consult their doctor regarding the suitability of their participation. Participants with concerns should only attend following positive advice from their doctor and should make their condition known to Mountaineering Ireland tutor supervising their course.

Mountaineering Ireland liability

I understand that neither Mountaineering Ireland, nor its servants, agents or employees are under any liability in respect of personal injury, loss or damage arising out of the hiring of the facilities or running programmes unless such personal injury loss or damage is a result of a negligent act of Mountaineering Ireland, its servants, agents or employees.

Parent / Guardian to complete this part

All participants under 18 must provide the course organiser with a properly completed parental consent form (below) prior to the commencement of the course.
