If applications exceed the available funds, we will give the grants to the applicants who best comply with the criteria set out in MI Mountain Training Grants. Outline the arguments and facts supporting the application in each of the relevant boxes. Some factors that might be relevant are suggested below:

- A. New Club/Young Trainees – information such as percentage trainees under age, date club established etc.
- B. Effectiveness/value for money – information such as existing level of training/qualifications, commitment by trainee to pass on training received etc., how many people are receiving training and how many people will realistically benefit from this training?
- C. Need for a grant – information such as number of students or unemployed who will attend, details of club finances – college and similar clubs should describe grants/subsidies available to them
