2 Regional Boulder Competition

2.1 Format

- 2.1.1 The Competition is a fixed time period event, limited attempts per boulder, and a “flash” format. There will be no demonstration of boulders.
- 2.1.2 Each round shall consist of eight (8) boulders.
- 2.1.3 Each category has 2 hours to complete their attempts.
- 2.1.4 The start and end of the competition climbing time will be announced by a loud signal. Competitors will be given a thirty-minute warning when there is thirty minutes remaining in their climbing session.
- 2.1.5 Each competitor will choose the order in which they attempt the boulders allocated to their category.
- 2.1.6 A competitor will indicate the next boulder they wish to attempt by handing their scorecard to the relevant Boulder Judge.
- 2.1.7 Competitors shall attempt a boulder in the order in which their scorecards are handed to the Boulder Judge.
- 2.1.8 If a competitor is not ready to attempt a boulder when called by the Boulder Judge, the relevant competitor shall be reassigned to the bottom of the stack of the scorecards held by the Judge at the time of the attempt.
- 2.1.9 Each competitor shall make no more than five (5) attempts on each boulder.
- 2.1.10 After a competitor has completed an attempt, the Boulder Judge will record the details and hand the scorecard to the competitor who shall then act in accordance with Articles 2.1.5 and 2.1.6
- 2.1.11 If a technical incident occurs affecting any boulder:
 - a) The boulders affected by a technical incident shall be closed until the problem has been rectified.
 - b) Any competitor directly affected by the technical incident shall have the relevant attempt discounted. e.g. if a technical incident occurs on the competitor’s first attempt, their attempt following restoration of the boulder shall be treated as their first attempt.
- 2.1.12 If the restoration time is less than or equal to 10 minutes, the affected boulders will be re-opened and no additional time allocated.
- 2.1.13 If the restoration time exceeds 10 minutes, the relevant boulder shall be cancelled from the competition, unless such cancellation would result in the competition comprising of fewer than 6 boulders. If this situation arises, the duration of the competition shall be extended by the amount of time taken after the initial 10 minutes to restore the boulder.

2.2 Scoring

- 2.2.1 Each boulder shall have a clearly marked finish which shall be either;
 - a) a designated Top Hold; or
 - b) a defined standing position on top of the boulder
- 2.2.2 All points/limbs must be off the floor before the attempt starts;
- 2.2.3 Boulders will be marked using a single colour of hold, any holds in a different colour will be considered for judging purposes as if demarcated as 'out of bounds'.
- 2.2.4 Each boulder shall have two clearly marked "Zone Holds". The positioning of these holds should aid the separation of competitors with markedly different performance and will be at the Route-Setter's discretion.
- 2.2.5 An attempt on a boulder shall be considered successful when the Boulder Judge has announced "OK", having determined that the competitor is.
 - a) in a Controlled position with both hands matched on the Top Hold; or
 - b) standing on top of the boulder,
- 2.2.6 The coloured tape used to mark the starting position and the Top Hold shall be the same and a different coloured tape shall be used for both the zone holds. Both colours shall be different from the colour used for demarcations (out of bounds)
- 2.2.7 On each boulder, zone points will be awarded if the competitor Controls the Zone Holds. The zone points will be awarded also where a competitor successfully completes the boulder without having Controlled the Zone Holds. The Zone Holds shall be considered as "Controlled" where a competitor has made use of the hold to achieve or change a stable or Controlled position.
- 2.2.8 For each competitor attempting a boulder, the Boulder Judge will record:
 - a) The number of attempts required by that competitor to gain each zone separately
 - b) The number of attempts required by that competitor to successfully complete the boulder
- 2.2.9 For the purposes of scoring, an attempt will be counted as such each time the competitor has handed their scorecard to the Judge to indicate intent to attempt a boulder and;
 - a) starts the boulder using the designated start holds,
 - b) touches, with hands or feet, holds other than the starting holds,
 - c) leaves the ground with all parts of their body.

A competitor may make use of any designated start holds and any climbing surface to achieve the start position. This does not include other holds or volumes.
- 2.2.10 Each boulder will score a maximum of twenty-five (25) points, with scoring values (the "**Base Score**") assigned as follows:
 - a) Twenty-five (25) points where the competitor has Controlled the Top Hold (regardless of whether the competitor has Controlled any Zone Hold on the boulder);
 - b) Ten (10) points where the competitor has Controlled the second Zone Hold but not the Top Hold (regardless of whether the first Zone Hold has been Controlled on any attempt);
 - c) Five (5) points where the competitor has Controlled the first Zone Hold only
- 2.2.11 The score awarded to a competitor will be the relevant Base Score minus 0.1 for each attempt made prior to the attempt on which the relevant score was achieved.

Examples:

 - a) A climber achieving the first Zone hold on their first attempt will score 5
 - b) A climber achieving the second Zone Hold on their third attempt will score 9.8

- c) A climber achieving the Top Hold on their fifth attempt will score 24.6.
- 2.2.12 At any point during a round, a competitor's score will be the sum of their highest scoring attempt on each boulder.

3 Regional Lead and Top Roping Competition

3.1 Format

- 3.1.1 Each competition shall consist of four (4) routes
- 3.1.2 The competition Format is a fixed period per route, one attempt only on each route in a "flash" format. There will be no demonstration of routes.
- 3.1.3 The climbing time for each route is six (6) minutes. In cases where the route is ten (10) metres or less in vertical height, the time will be reduced to four (4) minutes per climb.
- 3.1.4 Routes will be marked using a single colour of holds and any holds in a different colour will be considered for judging purposes as if demarcated as 'out of bounds'.
- 3.1.5 The YCSC in consultation with the chief route setter will announce one of the following routines to govern the order in which competitors attempt their routes:
 - a) A start list and schedule prepared by the YCSC for each route.

Note: A competitor shall be allowed to un-clip and re-clip the last clipped karabiner.
 - b) Any movement of a competitor beyond the legitimate position to clip shall not result in a higher score.
- 3.1.8 An attempt on a route shall be considered successful if the route has been climbed in accordance with these rules and if;
 - a) in the case of a lead route, the rope has been clipped into the final karabiner of the route from a legitimate position within the fixed time period for the route
 - b) in the case of a top-rope route, the judge has signalled or announced "OK", having determined that the competitor is in a Controlled position with both hands matched on the Top Hold.

- 3.1.11 The Chief Route Setter may rule that a protection point must for reasons of safety be clipped from a particular hold (a Safety hold) or earlier, in which case such hold(s) and the relevant protection point(s) shall be clearly marked with a blue cross and pointed out during the athlete briefing.
- 3.1.12 The Judge or belayer may order that a competitor’s attempt be terminated if they decide that further progress on the route would be dangerous.
- 3.1.13 A competitor may ask at any time during their attempt on the route how much of the fixed climbing time remains, and the Judge shall immediately inform, or give instruction to inform, the competitor of the remaining time.

- 3.4.2 For the purposes of scoring Routes:
- a) Only holds used by the hands shall be deemed as scoring holds;
 - (i) by the Chief Route-Setter before the start of a round of the competition; or

 - b) Only such parts of an object that are usable for climbing shall be considered.
 - c) If a competitor touches a point where there are no holds (as determined by the Chief Route-Setter), then this point shall not be considered when determining the competitor's score.
- 3.4.3 For the purposes of scoring:
- a) A hold shall be considered as "Controlled" where a competitor has made use of the hold to achieve a stable or Controlled position. The score of a competitor Controlling a hold shall be the number assigned to that hold on the route map without any suffix;
 - b) A hold from which a competitor has made a Controlled climbing movement in the interest of progressing along the route shall be considered as "used". The score of a competitor using a hold shall be the number assigned to that hold on the route map with an additional 0.1. This score is better than the score for Controlling the same hold.

4 Procedure on Completion of Each Regional Event

4.1 Event Ranking

- 4.1.1 After each event of the competition Series, the competitors shall be ranked.

- 4.1.2 If a tie exists for first, second or third place, a count-back procedure shall be used such that the results of the individual climbs in that event shall be considered in separating tied competitors. The winner will be the tied competitor to have gained the greatest number of first place results, or if this is the same, second place results, etc.
- 4.1.3 If after applying the procedure described in Article 4.1.1 and 4.1.2, there exists a tie for first, second or third place, those competitors shall be deemed equal.

4.2 Points Awarded for Each Competition Event

- 4.2.1 At the end of each event, the first thirty (30) competitors in each category shall be awarded the following points:

1 st	100 pts	11 th	31 pts	21 st	10 pts
2 nd	80 pts	12 th	28 pts	22 nd	9 pts
3 rd	65 pts	13 th	26 pts	23 rd	8 pts
4 th	55 pts	14 th	24 pts	24 th	7 pts
5 th	51 pts	15 th	22 pts	25 th	6 pts
6 th	47 pts	16 th	20 pts	26 th	5 pts
7 th	43 pts	17 th	18 pts	27 th	4 pts
8 th	40 pts	18 th	16 pts	28 th	3 pts
9 th	37 pts	19 th	14 pts	29 th	2 pts
10 th	34 pts	20 th	12 pts	30 th	1 pt

- 4.2.2 Where competitors are tied in a category, each will be awarded the average of ranking points shared by the tied group.
Example 1: If three competitors are tied in third place they are 'occupying' third, fourth and fifth places which would be a total of $65 + 55 + 51 = 171$ ranking points so each competitor would be awarded:
 $171 \div 3 = 57$ points.
Example 2: If two competitors are tied in second place they would each be awarded:
 $(80 + 65) \div 2 = 72.5$ points.
- 4.2.3 The sum of points shall be recalculated after each competition and the competitors having points shall be ranked in descending order of points accumulated. The ranking shall be made available after each event of the Series.
- 4.2.4 At the end of the last regional round each competitor's Series score shall be the sum of their three (3) best ranking points results in the Series.
- 4.2.5 The top three (3) competitors in each category in each region at the end of the regional Series will qualify to enter the Grand Final.
- 4.2.6 If, upon completion of the regional rounds, a Series tie for first, second or third place exists, a count-back procedure will be used, whereby the results of the individual rounds in which all tied climbers competed will be compared and ranked according to the greatest number of first place results, or if this is the same, second place results and so on, until the tied competitors' results can be separated.
- 4.2.7 If, after the application of Article 4.2.6, a Series tie for first, second or third place still exists, a count-back procedure will be used, whereby the results of the individual climb at rounds in which all tied climbers competed will be compared and ranked according to the greatest number of first place results, or if this is the same, second place results and so on, until the tied competitors' results can be separated.

4.3 Series Climb-off

- 4.3.1 If a Series tie still exists after the application of Article 4.2.7, a climb-off will be held immediately as set out in Articles 5.10 and 5.11.

- 4.3.2 All competitors involved in the tie must make themselves available for the climb-off at the Judge's discretion.
- 4.3.3 If a competitor is not available to take part in the climb-off, for whatever reason, the climb-off will take place without them and they will be scored last in the climb-off.

4.4 Qualification for the Grand Final

- 4.4.1 The top three (3) competitors in each category at the end of the regional Series who have the highest score will qualify to enter the Grand Final.
- 4.4.2 The specific rules for the Grand Final can be found in the document titled; YCS Grand Final Rules.

4.5 Withdrawal of Finalists

- 4.5.1 A qualifying competitor may withdraw from taking part in the Grand Final. No replacement competitor will be sourced.
